The District Medical Officer, South Kanara reports that food, to the female members of the nursing staff attached to the Lady Goschen Hospital has to be carried from the Headquarters Hospital where the mess is attached. The distance between the Nurses' quarters in the Headquarters Hospital and the Lady Goschen Hospital is reported to be a furlong and a half. One and sometimes two servants have to be deputed to carry the food to the Lady Goschen Hospital, thereby leaving one servant to look after the other staff in the quarters in the Headquarters Hospital. Carrying of the meals to the Lady Goschen Hospital and distribution and serving of the meals in the Headquarters Hospital is almost simultaneous. Hence the District Medical Officer requests sanction to the employment of an additional servant viz. Table Boy for the mess.
